Acceptable Use Policy Agreement

I understand that I must use school systems in a responsible way, to ensure that there is no risk to my safety or to the safety and security of the systems and other users.

For my own personal safety:

- I understand that the school will monitor my use of the systems, devices and digital communications.
- I will keep my username and password safe and secure – I will not share it, nor will I try to use any other person's username and password. I understand that I should not write down or store a password where it is possible that someone may steal it.
- I will be aware of "stranger danger", when I am communicating online.
- I will not disclose or share personal information about myself or others when online (this could include names, addresses, email addresses, telephone numbers, age, gender, educational details, financial details etc.)
- I will immediately report any unpleasant or inappropriate material or messages or anything that makes me feel uncomfortable when I see it online.

I understand that everyone has equal rights to use technology as a resource and:

- I understand that the school systems and devices are primarily intended for educational use and that I will not use them for personal or recreational use unless I have permission.
- I will not try (unless I have permission) to make large downloads or uploads that might take up internet capacity and prevent other users from being able to carry out their work.

I will act as I expect others to act toward me:

- I will respect others' work and property and will not access, copy, remove or otherwise alter any other user's files, without the owner's knowledge and permission.
- I will be polite and responsible when I communicate with others, I will not use strong, aggressive or inappropriate language and I appreciate that others may have different opinions.
- I will not take or distribute images of anyone without their permission.

I recognise that the school has a responsibility to maintain the security and integrity of the technology it offers me and to ensure the smooth running of the school:

- I will only use my own personal devices (mobile phones / USB devices etc) in school if I have permission.
- I understand that, if I do use my own devices in the school I will follow the rules set out in this agreement, in the same way as if I was using school equipment.
- I will not try to upload, download or access any materials which are illegal or inappropriate or may cause harm or distress to others
- I will immediately report any damage or faults involving equipment or software, however this may have happened.
- I will not open any hyperlinks in emails or any attachments to emails unless I know and trust the person / organisation who sent the email or if I have concerns about the validity of emails.
- I will raise any concerns about validity of emails (due to possible risk of an attachment containing viruses or other harmful programmes).
- I will not install or attempt to install or store programmes of any type on any school device, nor will I try to alter computer settings.

When using the internet for research or recreation, I recognise that:

- I should ensure that I have permission to use the original work of others in my own work
- Where work is protected by copyright, I will not try to download copies (including music and videos)
- When I am using the internet to find information, I should take care to check that the information that I access is accurate, as I understand that the work of others may not be truthful and may be a deliberate attempt to mislead me.

I understand that I am responsible for my actions, both in and out of school:

- I understand that the school also has the right to take action against me if I am involved in incidents of inappropriate behaviour, that are covered in this agreement, when I am out of school and where they involve my membership of the school community (examples would be cyber-bullying, use of personal or inappropriate images, or personal information).
- I understand that if I fail to comply with this Acceptable Use Policy Agreement, I will be subject to consequences as laid out in the School Behaviour Policy. This may include loss of access to the school network / internet, exclusions, contact with parents and in the event of illegal activities, involvement of the police.

Please complete the sections on the next page to show that you have read, understood and agree to the rules included in the Acceptable Use Agreement. If you do not sign and return this agreement, access will not be granted to school systems and devices.
